March 9, 2021

Congratulations! You have been nominated by your school principal and teachers to represent your school at the Harmony Technology Camp for Girls on Friday, April 30, 2021 in a virtual online event. HP, Hewlett Packard Enterprise, Intel, Broadcom, NVIDIA, AMD, CloudBees, Microsoft, and Colorado Sheetmetal Worker's Apprenticeship are thrilled to host this event to recognize young ladies such as you who demonstrate excellence in and enthusiasm for math and science.

Have you ever wondered what an engineer does in her daily work? What kinds of challenges and problem solving do you like to do? During the Harmony Technology Camp you will have a chance to find out answers to these questions through hands-on projects hosted by engineers. You and other girls from Northern Colorado schools will experiment, invent, be creative, and have fun. You will also meet many female engineers at the camp who will share how they became hooked on and excited about math, science, and technology.

On behalf of all of us at Harmony Technology Camp for Girls, congratulations on being selected to represent your school. We are very excited to meet you and spend the day together online! Please note that this event is a Zoom meeting so you will need to have access to a computer that supports Zoom. We will be providing supplies so the activities can still be hands on.

Parent/Guardian: Please help your child fill out and return the enclosed Application form to us via email to Girls-Tech-Camp-registration@external.groups.hp.com or michelle.ausmus@hp.com, no later than April 9, 2021.

We use the information in these forms solely for Tech Camp: we do not sell or share the information, and we make it available only to Tech Camp staff on a as needed basis to support the successful completion of the camp.

After we receive the application information (send the completed document or email the same data), we will send a confirmation email. Then we send a calendar invite with the schedule the week prior to the event. If you have any questions, please contact Michelle Ausmus at Girls-Tech-Camp-registration@external.groups.hp.com or 970-430-3234.

Please keep this page for your own information.

Camp Location: Zoom invite to be emailed
Camp Date & Time: Friday, April 30, 2021
Additional Info: www.harmonytechcamp.org

Warm regards,

Michelle Ausmus and the entire Harmony Technology Camp Team

Please fill out this form and email to Girls-Tech-Camp-registration@external.groups.hp.com. The forms must be received by April 9th. If you have any questions at all, please contact us.
